

## Casanova's Lament

Well, it really was nice ... That I could sleep with Buffy  
Without her getting huffy... She just said "I Love You"

And I didn't blink twice ... When I got my chance with Willow  
Her head upon my pillow ... It was a dream come true

Oh yes ...  
And then Cordelia ... Was pure emotion  
Her kisses made me sink down to the floor  
But still I can't let go of ... One foolish notion  
You can say that I'm just greedy  
But I long for something more  
Cause I gotta have Faith  
I gotta have Faith  
I just gotta have Faith, Faith, Faith, Faith, Faith  
I gotta have Faith, Faith, Faith, Faith, Faith

Anya ... Was such a frisky demon  
The way she left me screaming ... What's a poor boy to do?

And Harmony ... So very blond and vampy  
And just a little trampy ... She had me shaking and quaking in my cowboy boots

This magic ring makes ... Seduction easy  
There's not a bit of effort anymore  
And now a thousand girls wait ... In line to please me  
You might think that I'm in heaven ... But I long for one thing more  
Cause I gotta have Faith  
I gotta have Faith  
Yes I gotta have Faith, Faith, Faith, Faith, Faith  
I gotta have Faith, Faith, Faith, Faith, Faith

Maybe ... Some day the circumstance will change  
And there's the chance I could arrange ... To see those eyes so true

And when ... She sees the sparkle of my ring  
That girl won't stop at anything ... To spend a night or two

Oh yeah ...  
But till that day ... We're both stuck in prison  
With her behind those bars and me out here  
And so it clouds my days to ... Know what I'm missing  
You would think my life's fantastic ... But the one thing that I fear  
Is that I'll never have Faith  
I gotta have Faith  
Yes I gotta have Faith, Faith, Faith, Faith, Faith  
I gotta have Faith, Faith, Faith, Faith, Faith
